

**Special
Friends**

Tiny Trojans Preschool offers one to one student interaction with high school students known as their “special friends.” The high school students are enrolled in the Child Psychology and Advanced Child Psychology classes. They are a vital part of the preschool environment. They interact with and support the children in the preschool. The preschoolers love the time they spend with their “special Friends.”

We believe children learn best in a caring and supportive environment.

We believe that wonder and curiosity are the first steps of learning.

We believe that preschool gives children an opportunity to build self confidence.

Through play children learn to love learning.
